

# Bring Out The Bottles

Redfoo

I say yeah, it's gon' be poppin' tonight  
It's gon', it's gon' be poppin'  
I say yeah, the champagne's poppin' tonight  
Bring out the bottles!  
Whoa, I'm ready to go  
Bring out the bottles!  
Whoa, I'm ready to go, go, go, go  
Bring out the bottles! Whoa  
Bring out the bottles! Whoa  
Bring out the bottles! Whoa  
Bring out the bottles! Whoa  
Whoa, I'm ready to go, go, go, go  
Yeah baby I own the VIP, me and my click we so legit  
Everyday we go and get, everyday we go and get  
Yeah, and it ain't no stopping, shake that girl, keep the bottles poppin'

But I wait right here 'cause I see more options  
I got it, and now you want it,  
And then you need, because I beat it,  
Ah, ah, ah, make her scream for more  
I drink so much gotta hit the flow  
She dropped it low, I slapped it yo  
And said this red, the big ass frown  
In the air I said, it's gon' be poppin' tonight  
It's gon', it's gon' be poppin'  
I say yeah, the champagne's poppin' tonight
