

Love, the Hardest Way

Him

Love is the devil counting teardrops in the rain
To the sound of a chalkboard symphony played with nails
For what it's worth I don't wanna see you hurt anymore
Than you have to[Chorus]
Dine on glass, wine on blood
Baby, love the hard way
Baudelaire in Braille
Baby, love the harder way
Once you lose yourself entomb
I promise you love the hardest way Pretty like a flower on a tomb you are kissed
blue by the last arrows of your sun
Olly olly oxen free
Hide and go weep
Oh, no more
Unless you want[Chorus]
