

# Wish You Well

Dave Hollister

All I ever wanted from you was to love me girl  
I know that I was faithful to you  
Guess it wasn't enough to keep your attention  
So I thought that you might wanna know  
(Pre-)

I canceled all the plans for the rest of our lives  
You know the ones that included you as my wife  
I hope you have a plan B, one that don't involve me  
Cuz I'm done, I'm done, so done  
( )

Truth is I've had my doubts about us from the start  
But I wanted, what I wanted and it ain't just my fault  
I'll take the blame for stayin' when I shoulda left  
No hard feelins take care yourself  
Baby, I wish you well  
I I I-I I, I wish, I wish, I wish, I wish  
I I I-I I, I wish, I wish, I wish, I wish, I wish you well  
(2)

Proably should have just remained friends, we knew how  
We done crossed that line, ain't no turnin' back now  
It's a shame, and I'm kickin' myself cuz I knew betta  
To neva eva eva eva eva eva take it there, but now it's too late  
(Pre-)

(Bridge)

It's over (maybe one day we'll be friends again)  
Oh, at times (at times I can't help wonderin' if we did)  
All that we could do, it don't matter, cuz at this point I'm through
