SHE CALLED ME BABY

(Harlan Howard)

'61 Central Songs, BMI She called me baby baby all night long

Used to hold and kiss me till the dawn

And one day I awoke and she was gone

There's no more baby baby all night long

She called me baby baby all night long

Kissed my tears away when things went wrong

What I'd give if she'd just come back home

And call me baby baby all night long

She called me baby baby all night long

Lift me up so high and made me strong

Now each night in dreams just like a song

I still hear baby baby all night long
