

# Let The Music Heal Your Soul

Aaron Carter

[Touche]

Oh if someone writes a song with a simple Rhyme

[`N Sync]

Just a song where is feeling show

[The Moffats]

And if someone feels the same about the simple song

[Gil]

oh sometimes you can hear them sing

[Squeezer]

music gives you Happiness and Sadness

[Nick-BSB]

But it also, also heals your soul

[Chorus]

Let the music heal your soul

let the music take control

let the music give you the power to

move any mountain

[Touche]

If someone plays piano with some simple chords

[Aaron]

So melodic and endearing, too

[Brian-BSB]

Oh if someone plays guitar with the old piano

[The Boyz]

And maybe you can hear them sing

[Nick-BSB]

Music gives you Happiness and Sadness

[`N Sync]

But it also

[Blumchen] it also heals your soul

[Chorus]

[Brian-BSB]

Let the music heal your soul

let the music take control

let the music heal your soul

[Chorus x 4]
