

# I Fail

## Creation's Tears

When I assume this state of mind  
My lustful quest for happiness  
Is it any wonder that I fail?

Fail!When I assume this point of view  
I find it hard to see things through  
Is it any wonder that I fail?  
Fail!It's like history repeats itself  
For years now I wander lost  
Tell me pain can't last forever  
Fail!
