

Uncle Ken

Frenzal Rhomb

I never liked your boat shoes or your white cotton slacks
And when you run for council
did you get a vote or did you get a push in the back
When someone finds you out
will you walk or will you get a kick in the sack
Build 'em high
Let's kick this guy???
???
???
???Build 'em high
Touch the skyBecause
Uncle Ken is not your friendThis ??? that's in my hand
I wouldn't leave it up, I wouldn't leave it up to you
???
Feel them up???
Touch the skyBecause
Uncle Ken is not your friendJesus
