

From Can to Can't

Corey Taylor, Dave Grohl, Rick Nielsen, & Scott Re

Under the water,
Its cold and its grey.
My torrid autumn,
Another season decays.
Open up the Hollow,
And my walls come down.
I tell you it's a problem,
Just when no one's around.
But then,

[Chorus]
I know what's wrong,
God, you complicated everything.
I know you're gone, gone, gone,
This is where I will draw a line.

I will draw my line.

Burning my cathedrals?,
Cus I don't pray anymore.
Look at all of these peoples, Tragic little people,
They smile and then they don't know what for.
But then,

[Chorus]
I know what's wrong,
God, you complicated everything.
I know you're gone, gone, gone,
This is where I will blur my line.

I will blur my line.

[Riff]
EYEAH!
[Riff continues]

Our houses are haunted, Dark and deserted,
They're made of my secrets and shame.
Baby I want it I know I'm not worth it,
I can't even tell you my name.

Again,

[Chorus]

I know what's wrong,
God, you complicated everything.

I know you're wrong,
God you took it all away from me.
I know you're gone, gone, gone,
This is where I will cross my line.

I am crossing my line.
