

Take It Away

The Used

Life's greatest questions have always been

"Who am I? Where did I come from?"

"Why am I here? Where am I going?"

You are about to see and hear one of the most significant messages Given to us from God

Get down

Get down

I'm lying to myself and this dagger's my excuse

I'm a pawn, I should have paid up

And I left an hour late, I was laid up

I must abuse myself, I'm against all that I've made up

Set in stone the sun will come and I hate the light

You know I hate light

Don't make it look so pretty burning

Burn the sun, burn the light

Take take take take take take it away

Take my hand, take my life

Take take take take take take it away

I must have caught something in the heat of all these dances

I'm a worm with no more chances

And I've lost all doubt in a chemical romance

I can't stop itching over thoughts of tarnished hope

Kind of funny, lonely feeling, I'm not in love

You know it's not love

Don't make it look so pretty burning

Burn the sun, burn the light

Take take take take take take it away

Take my hand, take my life

Take take take take take take it away

Burn the sun, burn the light

Take take take take take take it away

Take my hand, take my life

Take take take take take take it away

Brothers and sisters, I'm right here with you

'Cause everyone's got one, a story to kill me

I'm so apathetic in my resentment

Living, loving, knowing not

Take my hand

Take my hand

Take my hand

Take my hand
Take my hand
Take my hand
Take my hand
Take my hand
Take my life
Take my heart
Take my mind
Take my life
Take my life
Burn the sun, burn the light
Take take take take take it away
Take my hand, take my life
Take take take take take it away
Burn the sun, burn the light
Take take take take take it away
Take my hand, take my life
Take my life, take my life
