

The Other Side

[Tim Chaisson](#)

Will I see your face on the other side, will I hear your voice
Will I recognize
Your pretty smile, your dark brown eyes
On the other side We've been working on this so long, is it worth it
Or are we wrong?
Will we keep what we make or will it all be gone
On the other side? I don't wanna lose you, I don't wanna miss you like I do
I don't wanna wait for you anymore
What are we waiting for? If you make it first to the other side, will you wait for me
While I decide?
If I can hold this road for the long, long ride
To the other side I don't wanna lose you, I don't wanna miss you like I do
I don't wanna wait for you, anymore
I don't want to fool you, I don't want to miss you like I do
I don't wanna wait for you anymore
What are we waiting for? Will I see your face, will I recognize
Your pretty smile on the other side? I don't want to lose you, I don't want to miss you like I do
I don't wanna wait for you anymore
Yeah and I don't want to fool you, I don't wanna hurt you like I do
I don't want to wait for you anymore
What are we waiting for?
