

# (sometimes I Feel So) Uninspired

## Traffic

Sometimes I feel so uninspired  
Sometimes I feel like giving up  
Sometimes I feel so very tired  
Sometimes I feel like I've had enough  
Sometimes you feel like you've been hired  
Sometimes you feel like you've been bought  
Sometimes you feel like your room's been wired  
Sometimes you feel like you've been caught  
But don't let it get you down, no, no  
There is no reason for not failing  
You've got to smile and turn the other cheek  
So today you might beat up  
But by tomorrow you'll be sailing  
And you won't even hear these words I speak  
Some people want to be so desired  
Some people can't stand the light of day  
Somebody's laughing while someone is crying  
Oh, for to want in the close of the day  
But sometimes I feel like my head is spinning  
I'm gonna cave with all I see, yeah  
I don't know who's losing  
And I don't care who's winning  
Hardships and trouble are following me  
But don't let it get you down, no, no  
There is no reason for not failing  
You've got to smile and turn the other cheek  
So today you might beat up  
But by tomorrow you'll be sailing  
And you won't even hear these words I speak  
Some people want to be so desired  
Some people can't stand the light of day  
Somebody's laughing while someone is crying  
Oh, for to want in the close of the day  
Sometimes I feel like my head is spinning  
I'm gonna cave with all I see, yeah  
I don't know who's losing  
And I don't care who's winning  
Hardships and trouble are following me, yeah, yeah
