Hold Tight London

The Chemical Brothers

So do, I warn you
I see things when I hold you
But I've whispered: "it's alright"
It is you and me and a long night

You're a ghost in the doorway, I can see through, but I hold tight, I'll just stay on holding until it hurts, I just want you to know your lovely,

You're a ghost in the doorway, I can see through, but I hold tight, I'll just stay on holding until it hurts, I just want you to know your lovely,

Don't worry, nothing can go wrong, (nothing!!)
