Baby Get Higher

Lenny Keylard

Baby get higher
Baby get higherYou gotta flow, like a river
Heading the same way, foreverAnd I love you, love you, love you
And I'm trying
To figure out how to, make it betterIf you don't hide away inside
You'll find your wings would open
So free your mind and you will flyBaby get higher
You know that's all i'm asking for
Baby get higher
I don't think I can take no more
You're bringing me down
Stuck on the ground
How do I turn this thing around
Baby get higherYou're stuck in the groove, like a record
You don't even know, what you're looking forAnd you never never never see
That I'm trying, No..
I want you to feel, so much moreLet it all out, just scream and shout
Tear down the walls around you
So free your mind and you will flyBaby get higher
You know that's all i'm asking for
Baby get higher
I don't think I can take no more
You're bringing me down
You're stuck on the ground
How do I turn this thing around
Baby get higherIf you don't hide away inside, you'll find your wings will open
So free your mind and you will flyBaby get higher
You know it's all i'm asking for
Baby get higher
I don't think I can take no moreYou're bringing me down
You're stuck on the ground
How do I turn this thing aroundBaby get higher
