I Love You So

Bo Diddley

Oh, I, I, I, baby, I love you so
You know, you know, I love you so.All my life I been lovin' you,
Sometimes I wonder, baby, what you're gonna do.
You told me honey, that our love's unreal,
I can't be with you 'cause you won't be filled.
You keep tellin' all our closest friends,
That you were with me from the very beginin',
I, I, yeah, I love you so.In the morning, it's alright,
In the evening, it's still alright,
In the night, it's alright,
Where you be, it's still alright.
I, I, love you
