Big Bad Wolf

Satanic Surfers

(x2) There's nothing wrong with having dreams and trying to fullfill them
Cause there's no easy answers,
Life's a never ending lesson,
Never know what's around the corner unless we go there and see for ourselves,
Discover what lies hidden in time
We don't know what we can achive unless we try, we don't know what we can achive (x2)Somebody save me
Somebody save me from the big bad wolf,
Somebody save me from the big bad wolf,
Somebody save me from the big bad wolf called reality
