Always

Alberta Hunter

Everything went wrong,
And the whole day long
I'd feel so blue.
For the longest while
I'd forget to smile,
Then I met you.
Now that my blue days have passed,
Now that I've found you at last

I'll be loving you always
With a love that's true always.
When the things you've planned
Need a helping hand,
I will understand always.

Always.

Days may not be fair always,
That's when Ill be there always.
Not for just an hour,
Not for just a day,
Not for just a year,
But always.

Ill be loving you, oh always
With a love that's true always.
When the things you've planned
Need a helping hand,
I will understand always.

Always.

Days may not be fair always,
That's when Ill be there always.
Not for just an hour,
Not for just a day,
Not for just a year,
But always.

Not for just an hour,

Not for just a day,
Not for just a year,
But always.
