Boyfriend

Lou Bega

Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boy
Have you ever had the feeling
You're drawn to someone? Yeah
And it isn't anything they could've
Said or done?
And everyday I see you on your own
And I can't believe that you're alone
But I overheard your girls
And this is what they said, looking for a, looking for a
That you're looking for a boyfriend, I see that
Give me time, you know I'm gonna be there
Don't be scared to come put your trust in me
Can't you see all I really want to be
Is your boyfriend, can't fight that
Knock me down, you know I'm coming right back
I don't care at all what you done before
All I really want is to be your
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Let me take a little moment
To find the right words
So when I kick it you it ain't something
That you've heard
I don't know what kind of guy that you prefer
But I know I gotta put myself for worse
See I think got the kind of love
That you deserve and I heard that
That you're looking for a boyfriend, I see that
Give me time, you know, I'm gonna be that
Don't be scared to come put your trust in me
Can't you see all I really want to be
Is your boyfriend, can't fight that
Knock me down, you know, I'm coming right back
I don't care at all what you done before

All I really want is to be your
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
If you tell me yeah, I'm waiting here
Everyday like "Slumdog Millionaire"
Bigger than the "Twilight" love affair
I'll be here, girl, I swear, looking for a, looking for a
That you're looking for a boyfriend, I see that
Give me time, you know, I'm gonna be that
Don't be scared to come put your trust in me
Can't you see all I really want to be
Is your boyfriend, can't fight that
Knock me down, you know, I'm coming right back
I don't care at all what you done before
All I really want is to be your
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
(Your boyfriend)
Your boy, boy, b-b-boy, b-b-boyfriend
(Your boyfriend)
All I really want is to be your
(Boyfriend)
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
All I really want is to be your
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
Your boy, boy, b-b-boy, b-b-boyfriend
All I really want is to be your
