

# Greasy Grass River

## The Black Crowes

Now I'm swimming in the greasy grass river  
On my way to the black pearl sea  
Yeah I'm floating down the greasy grass river  
Come on child, come with me  
Life is so easy on greasy grass river  
Just take my hand and we can pretend to be free  
You want to be  
Free  
Come on with me

So take me down the greasy grass river  
And wash my hair where the water's clean  
Said lay me down by the greasy grass river  
And unfold my mystery  
The greasy grass river has water that whispers  
Lets listen closely while she says she wants to be free  
You want to be  
Free  
You know what I mean

Said I'm out of my pocket and I'm out my mind
