Your Turn Is Over

Gamma Ray

We're coming closer to the final phase
You better do what you can
No, you won't stand a chance to win the race
You better leave 'cause I'm the manI know you think you nearly got it made
I think you live in a daydream
There's no way out
I'm gonna make it a nightmareYou get a lesson that you never forget
Your turn's over
(Your turn's over)
NowYour turn's over
(Your turn's over)
NowThink I better keep an eye on you
And every move that you make
'Cause you're a motherfuckin' liar
Everybody knows you're fakeAnd I'm gonna shoot down what you say
You find yourself in a dead end, there's no way out
Poor pitiful you, you get a lesson that you never forgetYour turn's over
(Your turn's over)
NowYour turn's over
(Your turn's over)
NowI'm feeling free, you can't stop me
You can't hold me, I'm so restlessSo you think you can escape your fate
Let me tell me you, sucker, it's too late
So you know you're gonna make my daySo you think you can save your life
But you're gonna get it through
Better look at your self
You're nothing more than a little poohDoesn't matter what you say
It doesn't matter anyway
You haven't got a single clue
Your turn is over and I'm finished with youYour turn, your turn's over now
Listen now, listen now, listen
Your turn's over now
([Incomprehensible])Your turn's over now
([Incomprehensible])
Your turn's over now
