The Carnival Is Over

Boney M.

Say goodbye, my own true lover
As we sing a lover's song
How it breaks my heart to leave you
Now the carnival is goneHigh above the dawn is waking
And my tears are falling rain
For the carnival is over
We may never meet again
For the carnival is over
We may never meet againLike a drum my heart was beating
And your kiss was sweet as wine
For the joys of love are fleeting
For Pierrot and ColumbineNow the harbor light is calling
This will be our last goodbye
Though the carnival is over
I will love you till I dieSay goodbye, my own true lover
As we sing a lover's song
How it breaks my heart to leave you
Now the carnival is goneSay goodbye, my own true lover
This will be our last goodbye
Though the carnival is over
I will love you till I dieThough the carnival is over
I will love you till I die
Though the carnival is over
I will love you till I die
