You can hear the music
Of the AM RadioThe VCR and the DVD
There was none of that crap
Back in 1970
We didn't know about a
World Wide Web
It was a whole different game
Being played back when
I was a kidwant to get down in a cool way
Picture yourself on a beautiful day
Big bell bottoms and groovy long hair
Just walking in style with a portable CD player
No you'd listen to the music on theAM Radio AM Radio
Yeah you could hear the music on the
AM Radio AM RadioFlashback, seventy-two
Another summer in the neighborhood
Hanging out with nothing to do
Sometimes we go driving around
In my sister's pinto
Cruising with the windows rolled down
We listen to the radio station
We were too damn cool
To buy the eight track tape
There wasn't any good time
To want to be inside
My mama want to watch that TV
All goddamn nightI'd be in bed with the radio on
I would listen to it all night long
Just to hear my favorite song
You'd have to wait till you could hear it on theAM Radio AM Radio
Yeah you could hear the music on the
AM Radio AM Radio
I can still hear Mama say
Boy turn that radio down!Aw, Mom. Not that show again! I don't want to watch that show! Can't we watch
Good Times or Chico and the Man or something cool? Turn it off!Things changed back in seventy-five
We were all growing up on the in and the outside
We got in trouble with the police man

We got busted getting high in the back of my friend's van

I remember 1977

I started going to concerts and I saw the Led Zeppelin

I got a guitar on Christmas day

I dreamed that Jimmy Page would come to

Santa Monica to teach me to play

teach me to play There isn't any place that I need to go

There isn't anything that I need to know

That I did not learn on the radio Everything gets stupid and I just don't know

where to find my happy I listen to my music on the

AM Radio AM Radio

You can hear the music on the
