Let Me Live

Queen

Three four
Ooh
Take a piece of my heart
Take a piece of my soul
Let me live
Oh yeah

Why don't you take another little piece of my heart
Why don't you take it and break it
And tear it all apart
All I do is give
And all you do is take
Baby why don't you give me
A brand new start

So let me live (So let me live)
Let me live (Leave me alone)
Let me live, oh baby
And make a brand new start

Why don't you take another little piece of my soul
Why don't you shape it and shake it
'Til you're really in control
All you do is take
And all I do is give
All that I'm askin'
Is a chance to live

(So let me live) - So let me live
(Leave me alone) - Let me live, let me live
Why don't you let me make a brand new start

Yeah, and it's a long hard struggle, yeah yeah
But you can always depend on me
And if you're ever in trouble - hey
You know where I will be

Why don't you take another little piece of my life
Why don't you twist it and turn it
And cut it like a knife

All you do is live
All I do is die
Why can't we just be friends
Stop livin' a lie

So let me live (So let me live)
Let me live (Leave me alone)
Please let me live
(Why don't you live a little)
Oh yeah baby
(Why don't you give a little love...?)
Go for it baby

Let me live
Please let me live
Oh yeah baby, let me live
And make a brand new start
Let me live (Let me live)
Ooh yeah (Let me live)
Come on (Let me live ooh)

In your heart, oh baby
(Take another piece, take another piece)
(Take another piece, take another piece)
Ooh please let me live
(Take another piece, take another piece)
(Take another piece, take another piece)
Why don't you take another piece
Take another little piece of my heart
Oh yeah baby
Make a brand new start
Baby baby
Baby baby
Baby baby
Baby baby
All you do is take, take
Let me live
(Let me live)
Oh yeah let
Let me live
