

Let Me Live

Queen

Three four

Ooh

Take a piece of my heart

Take a piece of my soul

Let me live

Oh yeah

Why don't you take another little piece of my heart

Why don't you take it and break it

And tear it all apart

All I do is give

And all you do is take

Baby why don't you give me

A brand new start

So let me live (So let me live)

Let me live (Leave me alone)

Let me live, oh baby

And make a brand new start

Why don't you take another little piece of my soul

Why don't you shape it and shake it

'Til you're really in control

All you do is take

And all I do is give

All that I'm askin'

Is a chance to live

(So let me live) - So let me live

(Leave me alone) - Let me live, let me live

Why don't you let me make a brand new start

Yeah, and it's a long hard struggle, yeah yeah

But you can always depend on me

And if you're ever in trouble - hey

You know where I will be

Why don't you take another little piece of my life

Why don't you twist it and turn it

And cut it like a knife

All you do is live
All I do is die
Why can't we just be friends
Stop livin' a lie

So let me live (So let me live)
Let me live (Leave me alone)
Please let me live
(Why don't you live a little)
Oh yeah baby
(Why don't you give a little love...?)
Go for it baby

Let me live
Please let me live
Oh yeah baby, let me live
And make a brand new start
Let me live (Let me live)
Ooh yeah (Let me live)
Come on (Let me live ooh)

In your heart, oh baby
(Take another piece, take another piece)
(Take another piece, take another piece)
Ooh please let me live
(Take another piece, take another piece)
(Take another piece, take another piece)
Why don't you take another piece
Take another little piece of my heart

Oh yeah baby
Make a brand new start
Baby baby
Baby baby
Baby baby
Baby baby

All you do is take, take
Let me live
(Let me live)
Oh yeah let
Let me live
