Gaucho

Steely Dan

Just when I say
'boy we can't miss
You are golden'
Then you do this
You say this guy is so cool
Snapping his fingers like a fool
One more expensive kiss-off
Who do you think I am
Lord I know you're a special friend
But you don't seem to understand

We got heavy rollers I think you should know

Try again tomorrowCan't you see they're laughing at me Get rid off him

I don't care what you do at home
Would you care to explainWho is the gaucho amigo
Why is he standing

In your spangled leather poncho

And your elevator shoes

Bodacious cowboys

Such as your friend

Will never be welcome here

High in the custerdomeWhat I tell you

Back down the line

I'll scratch your back

You can scratch mine

No he can't sleep on the floor

What do you think I'm yelling for

I'll drop him near the freeway

Doesn't he have a homeLord I know you're a special friend

But you refuse to understand

You're a nasty schoolboy

With no place to go

Try again tomorrowDon't tell me he'll wait in the car

Look at you

Holding hands with the man from rio
Would you care to explainWho is the gaucho amigo
Why is he standing
In your spangled leather poncho

With the studs that match your eyes
Bodacious cowboys
Such as your friend
Will never be welcome here
High in the custerdome
