

# When I Need You

Leo Sayer

When I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you  
It's only a heartbeat awayWhen I need love  
I hold out my hands out and I touch love  
I never knew there was so much love  
Keeping me warm night and dayMiles and miles of empty space in between us  
A telephone can't take the place of your smile  
But you know I won't be travellin' forever  
It's cold out, but hold out and do like I doWhen I need you  
I just close my eyes and I'm with you  
And all that I so wanna give you, babe  
It's only a heartbeat awayIt's not easy when the road is your driver  
Honey, that's a heavy load that we bear  
But you know I won't be travellin' a lifetime  
It's cold out, but hold out and do like I doOh I need youWhen I need love  
I hold out my hands out and I touch love  
I never knew there was so much love  
Keeping me warm night and dayWhen I need you  
I just close my eyes  
And you're right here by my side  
Keepin' me warm night and dayI just hold out my hands  
I just hold out my hands  
And I'm with you darlin'  
Yes, I'm with you darlin'All I wanna give you  
It's only a heartbeat away  
Oh, I need you darlin'
