Plain Jane

Vice Squad

holiday season
holiday season
plain jane plain jane
plain jane plain jane
i know my body took a lot of ink
lungs smoke a lot of stink
bladder piss a lot of pink
cause that lean i like to drink
my face got a lot of tats
my girl got a lot of gold
my mouth talk a lot of shit
my dick fuck a lot of hoes
my stomach be filled with shrimp
legs limping like a pimp
cause Gizzeles on my fucking frame
waves all in my trim
my mind be on the prize
hands on with the 9
my trap house it keep a line
cause i am selling Duncan Hines
gucci mane a millionaire
my house i'll be seldom there
i always be on the road
bank account got several o's
my bridgeses be true religion
in my kitchen cookin chickens
smoking swishers busting phillies
bought two rarris spent a milli
this watch right here cost ninety thousand plain jane
but ima put some rocks off in it anyway
these haters they gone hate on you like anyway
so im gone put some rims on my shit anyway
anyway anyway anyway anyway anyway
i thought that i can find another any day
any day anyway anyway anyway
it's not that hot outside but i am gonna drop it anyway
maybach's in way back
said maybach, yes it's out back
i mean out back with my australian bitch

she's got a fat ass and some big tits
i fuck with her cause her accent
with a hublot cause it accent my louis v shades
plus it match the ace of spades
oh newborns talking audemars
got two on, one plane jane one iced out

nigga tryin me knock some lights out
got goonies cuz im hands on .. run a check up put my mans on
that is a1 lbg free boosie free BG
you don't want to stand in the way
I'm a Don ho
your house the size of my condo
i just rap this shit for the fun hoe
last of a dying breed Rocko, young dinosaur
old school still wear tree tongues
where the money at i want me some
wit yo main bitch and your little sis
you know what time it is nigga three some
this watch right here cost ninety thousand plain jane
but ima put some rocks off innit anyway
these haters they gone hate on you like anyway
so im gone put some rims on my shit anyway
anyway anyway anyway anyway anyway
i thought that i can find another any day
any day anyway anyway anyway
it's not that hot outside but i am gonna drop it anyway
i drop the top like fuck it im rollin with a cutless
i pull up in a what the fuck i dont know was it
i know they cost my budget i know the bitches love it
i got hatters disgusted im smoking on that mustard (strong)
im east atlanta and i say it loud i got a black ferarri
cause i am black and proud got a delta its like salt and pepper
when i put um together they stand out
i am a biker hitchhiker that's what you are with your dumb mouth
got a spy girl with some rims on and the back tyres they poke out
got a lighter let me borrow that so i can smoke me on this ganja
versace shades Stevie wonder
can't see these niggers they are under
your labels a sand castle its about to crumble
like Barry sanders don't thumble
its gucci mane knocking numbers
this watch right here cost ninety thousand plain jane
but ima put some rocks off innit anyway
these haters they gone hate on you like anyway

so im gone put some rims on my shit anyway
anyway anyway anyway anyway anyway
i thought that i can find another any day
any day anyway anyway anyway
it's not that hot outside but i am gonna drop it anyway
show some .. dj fate my nigga
know what i wanna do
we working
