

Carlos Slim

Riff Raff

[Intro]

808 Mafia, Riff

Yeah, it's a celebration, quinceanera

It's a celebration kiss each other

I might, I might, I might move to Mexico[Hook]

Diamonds shining jumping out the gym

I might move to Mexico, Carlos Slim

I fly passed in the black Camaro

It's a celebration, quinceanera

It's a celebration, quinceanera

It's a celebration, quinceanera

It's a celebration, quinceanera

Diamonds shining jumping out the gym

I might move to Mexico, Carlos Slim[Verse 1]

Fish scale, shark tale

I used to test coke for the cartel

Seven hundred grand in a rubber band

Watch my diamonds dance out in South France

Whoa, kemosabe, Versace is my hobby

I done shot more jumpers than that Bill Cosby

House player made, Prada shades

Codeine Castle got a pool full of mermaids[Hook]

Diamonds shining jumping out the gym

I might move to Mexico, Carlos Slim

I fly passed in the black Camaro

It's a celebration, quinceanera

It's a celebration, quinceanera

It's a celebration, quinceanera

It's a celebration, quinceanera

Diamonds shining jumping out the gym

I might move to Mexico, Carlos Slim[Verse 2]

Peach Beach, East Greece

Diamonds dancing off my teeth, Forgiotos creep

I can't be held back, no leash, capisce?

Underrated, often hated

Bentley roller bladed, Cadillac is Escalated

Speakers Fosgated, life's getting better

It's a celebration, quinceanera[Hook]

Diamonds shining jumping out the gym

I might move to Mexico, Carlos Slim
I fly passed in the black Camaro
It's a celebration, quinceanera
It's a celebration, quinceanera
It's a celebration, quinceanera
It's a celebration, quinceanera
Diamonds shining jumping out the gym
I might move to Mexico, Carlos Slim
