High Anxiety

The Suicide Machines

Well, it's the high anxiety I'm a victim of society High anxiety, I'm a victim of society, high anxiety It's my high anxiety getting to the best of meSometimes I feel like I'm gonna explode And when I'm approaching total overload I know that when I'm having a panic attack To duck and cover 'cause I can feel it comingWell, it's the high anxiety I'm a victim of society High anxiety, I'm a victim of society, high anxiety It's my high anxiety getting to the best of meThis time I feel like I'm gonna die Cold sweat the fear is paralyzing you know I wish that this was over and done Heart pounds, I can feel it escalating Well, it's the high anxiety I'm a victim of society High anxiety, I'm a victim of society, high anxiety It's my high anxiety getting to the best of meI don't know why sometimes I wake up In the middle of the night I don't know why I gasp for breath I'm really feeling like I'm on the brink of death I wish I could get this crisis under controlThen I could feel some kind of closure I feel this could go on and on without end I guess I'll just have to ride it out 'causeWell, it's the high anxiety I'm a victim of society High anxiety, I'm a victim of society, high anxiety It's my high anxiety getting to the best of meWell, it's the high anxiety I'm a victim of society High anxiety, I'm a victim of society, high anxiety It's my high anxiety getting to the best of me
