

# Feel a Breakthrough

Deitrick Haddon

Yeah Let me put the top down  
Feeling good right now, Clap your hands Yeah  
Keep it right there  
Lift those hands In the pain, you walked me through every step of the way  
You even gave me shelter from the rain yeah  
And I just wanna give praises to your name, yeah  
Yes, and I know even half my praise want your first seeing grace?  
And I never would have made it on my journey  
You brought me out before you can do it again  
Oh yeah, oh but the storm is passing over  
The storm is passing over x4  
The sun is gonna breakthrough, breakthrough  
The storm is passing over x3  
Don't worry  
God is gonna breakthrough  
I can feel a breakthrough feel a breakthrough, he gon come through for ya  
Clap your hands  
I can feel a breakthrough feel a breakthrough, he gon come through for ya And after the storm, there's a rainbow  
and you know you know  
And I don't remember, he will never leave you or forsake you no  
No he wont, no  
Just keep you head to the sky  
And know that there's no other him nor other I  
Just wear your shoulders, keep moving on  
One day all your troubles they will be gone  
I believe  
The storm is passing over x3  
The sun is gonna breakthrough, breakthrough  
The storm is passing is over x3  
Don't worry  
God is gonna breakthrough The storm is passing over  
I can see the sun breaking through  
I believe the sun is passing over  
The storm is passing over  
God is a blessing waiting on you  
God is about to come through
