Firecracker

Haltya

When I look in her eyes, it ain't no surprise
Sparks start a flyin' like the 4th of July
She gets me so hot, my heart starts a poppin'
When we get to kissin', there ain't no stoppin'
When it comes to love, she ain't no slacker
My little darlin' is a firecracker
When I light the fuse, I gotta get back quick
You gotta be careful with a dynamite stick
Son of a gun, she's fun to handle
And she packs a punch like a roman candle
She's a pack of black cats in a red paper wrapper
My little darlin' is a firecracker
We might not ought to take a roll in the hay
'Cause we'd burn the barn down one of these days
We're a match made in heaven and it ain't no joke
But I'd sure hate to see it go up in smoke
We got a good thing going and it feels so right
She's a firecracker, she's the light of my life
She goes off with a great big bang
Boys, I tell ya it's a beautiful thing
She takes off, you better hang on tight
She's a blonde bottle rocket in the middle of the night
When she makes love she's a heart attacker
My little darlin' is a firecracker
We might not ought to take a roll in the hay
'Cause we'd burn the barn down one of these days
We're a match made in heaven and it ain't no joke
But I'd sure hate to see it go up in smoke
We got a good thing going and it feels so right
She's a firecracker, she's the light of my life
Yeah, we got a good thing going and it feels so right
She's a firecracker, she's the light of my life
We got a good thing going and it feels so right
She's a firecracker, she's the light of my life
She's a firecracker, she's the light of my life
Firecracker, firecracker
Firecracker, firecracker, bang
Firecracker, firecracker
