

Perfectly Still

Gin Blossoms

It's our call it sways, it stalls
I need a little extra time alone
Well maybe take the long way home
Just enough to get it wrong Nothing like a bad decision
Says who you are Fools rush in for the grist in my
For the grist in my mill can't you see?
When you're perfectly
When you're perfectly still One big rout we're all sold out
If nothing's off limits, we'll pay
Price tags on every other day
We're bankrupt here for now But they can't take my anger
It can't be touched Fools rush in for the grist in my
For the grist in my mill can't you see?
When you're perfectly
When you're perfectly still Outdated maps, missed pull-out ramps
I won't contribute to our own demise
Pass up the consolation prize
It starts from here from now Nothing like a bad decision
Says who you are Fools rush in
