Perfectly Still

Gin Blossoms

It's our call it sways, it stalls I need a little extra time alone Well maybe take the long way home Just enough to get it wrongNothing like a bad decision Says who you are Fools rush in for the grist in my For the grist in my mill can't you see? When you're perfectly When you're perfectly stillOne big rout we're all sold out If nothing's off limits, we'll pay Price tags on every other day We're bankrupt here for nowBut they can't take my anger It can't be touchedFools rush in for the grist in my For the grist in my mill can't you see? When you're perfectly When you're perfectly stillOutdated maps, missed pull-out ramps I won't contribute to our own demise Pass up the consolation prize It starts from here from nowNothing like a bad decision Says who you are Fools rush in
