# When The Heartache Is Over (Robt Coleman Mix)

## Tina Turner

(G. Stack, J. Reid)
Producers: Brian Rawlings and Mark Taylor
Album: Twenty Four Seven (99)Once in a lifetime you find
Someone to show you the way
Someone to make your decisions
But I let you lead me astray
Who did you think you were fooling
Said you were missing me blind
But the truth is I knew you were lying
You were using me time after timeWhen the heartache is over
I know I won't be missing you (missing you)
Won't look over my shoulder
'Cause I know that I can live without you
Oh live without you
Oh I can live without youTime to move on with my life now
Leaving the past all behind
I can make my own decisions
It was only a matter of time
Sometimes I look back in anger
Thinking about all the pain
But I know that I'm stronger without you
And that I'll never need you againWhen the heartache is over
I know I won't be missing you (missing you)
Won't look over my shoulder
'Cause I know that I can live without you
Oh live without you
Oh I can live without youWhen the heartache is over
I know I won't be missing you
Won't look over my shoulder
'Cause I know that I can live without you
When the heartache is over
I know I won't be missing you (missing you)
Won't look over my shoulder
'Cause I know that I can live without you
Yeah I can live without you
Live without you
