

When The Heartache Is Over (Robt Coleman Mix)

Tina Turner

(G. Stack, J. Reid)

Producers: Brian Rawlings and Mark Taylor

Album: Twenty Four Seven (99)Once in a lifetime you find

Someone to show you the way

Someone to make your decisions

But I let you lead me astray

Who did you think you were fooling

Said you were missing me blind

But the truth is I knew you were lying

You were using me time after timeWhen the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Oh live without you

Oh I can live without youTime to move on with my life now

Leaving the past all behind

I can make my own decisions

It was only a matter of time

Sometimes I look back in anger

Thinking about all the pain

But I know that I'm stronger without you

And that I'll never need you againWhen the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Oh live without you

Oh I can live without youWhen the heartache is over

I know I won't be missing you

Won't look over my shoulder

'Cause I know that I can live without you

When the heartache is over

I know I won't be missing you (missing you)

Won't look over my shoulder

'Cause I know that I can live without you

Yeah I can live without you

Live without you
