

# In The Land Of Make Believe

## Dusty Springfield

In the land of make believe  
You're mine tonight  
Although you are far away  
In the land of make believe  
I'm holding you tight  
The silver moon is shining above  
And there's love in your eyes  
And I'm kissing you  
Like I used to do  
Yesterday in paradise  
I've been living in the land of make believe  
Since you've been gone  
I need you so much  
That without your love  
I must deceive myself  
To go on  
Your loving hand caresses my face  
We embrace tenderly  
Never will we part  
Deep down in my heart  
You are always here with me  
You are always here with me  
In the land of make believe  
In the land of make believe  
In the land of make believe
