Face the Arrows

Stef Lang

FACE THE ARROWS - LyricsVerse:
It takes a little more guts
To bear whats real
It takes a little more grit
To say how you feel
This war I'm right in
Is not worth fighting
So no more hiding tonightCHORUS:
I put down the shield
That protects my heart
Step in the light and out of the dark
I'll bear my skin and all of my scars
I'm emotional but I know I gotta
Face the arrows, arrows, arrows
I gotta face the arrows, arrows, arrowsVERSE 2
It takes a little more trust
To brace the blows
It's a little more love
To walk the unknowns
Cause You never find it
When you're trying
Arrows flying
TonightCHORUS:
I put down the shield
That protects my heart
Step in the light and out of the dark
I'll bear my skin and all of my scars
I'm emotional but I know I gotta
Face the arrows, arrows, arrows
I gotta face the arrows, arrows, arrowsBRIDGE:
Cause I am who I am
I am who I am
I am who I am
