

# I Want Out (Kids Of The Century)

## Halloween

From our lives' beginning on  
We are pushed in little forms  
No one asks us how we like to be  
In school they teach you what to think  
But everyone says different things  
But they're all convinced that  
They're the ones to see So they keep talking and they never stop  
And at a certain point you give it up  
So the only thing that's left to think is this (I want out) to live my life alone  
(I want out)  
Leave me be (I want out)  
To do things on my own (I want out)  
To live my life and to be free People tell me a and b  
They tell me how I have to see  
Things that I have seen already clear  
So they push me then from side to side  
They're pushing me from black to white  
They're pushing 'til there's nothing more to hear But don't push me to the maximum  
Shut your mouth and take it home  
'Cause I decide the way things gonna be (I want out)  
To live my life alone (I want out)  
Leave me be (I want out)  
To do things on my own (I want out)  
To live my life and to be free There's a million ways to see the things in life  
A million ways to be the fool  
In the end of it, none of us is right  
Sometimes we need to be alone No no no, leave me alone To live my life alone (I want out)  
Leave me be (I want out)  
To do things on my own (I want out)  
To live my life and to be free  
(I want out)
