

Make The World Go Away

The Osmonds

Make the world go away
Get it up on my shoulders

Say the things you used to say
And make the world go away.

Do you remember when you loved me
Before the world would be astray

If you do let forgive me
And make the world go away.

Make the world go away

I'm sorry by hurt you
I make it up day by day

You say you love me like you used to
And make the world go away.

Make the world go away
