Lacuna

Fallujah

Finally I've found my faith
Belief in the cause of your warm embrace
Now I have all that I want
But I can't help that I'm
Wishing I could change today
And all that I had hoped to gain
I'll meet you where land goes to end
I hope to find you thereKnowing I can't change today
You know that I was desperate
I'll meet you where land goes to end
Will you remember me?
Give me back my thoughts
Can I keep just this one?
Dig in your hands, I know what's done is doneWhat feels like lapse in time
Was when you were mine
Our souls collide in
The lessons and the strifeWe move like ghosts
Fade into my armsI watched this tragic love of mine
Dissolve and divide
Before my desperate eyes, running out of time
What feels like lapse in time
Was when you were mine
Our souls collide in
The lessons and the strifeI had found my queen
But she's forgotten me
