Stop Me

Mark Ronson

Stop me, oh oh-oh, stop me
Stop me if you think that you've heard this one before
Stop me, oh oh-oh, stop me
Stop me if you think that you've heard this one before
?Cause nothing's changed
I still love you, oh, I still love you
Only slightly, only slightly less
Than I used to, my love
I was delayed, I was waylaid
An emergency stop, I saw the last ten seconds of life
I crashed down on the crossbar
And the pain was enough to make a shy, bald, Buddhist reflect
And plan a mass murder, yeah
Who said lied I'd to her?
Who said I'd lied? ?Cause I never, never
Who said I'd lied because I never
I was detained, I was restrained
Broke my knee and broke my spleen
And then he really laid into me, yeah
Friday night in Out-Patients
Who said I'd lied to her?
Who said I'd lied? ?Cause I never, never
Who said I'd lied to her?
So I drank one, it became four
And when I fell on the floor I drank more
Stop me, oh oh-oh, stop me
Stop me if you think that you've heard this one before
Stop me, oh I said, stop me
Stop me if you think that you've heard this one before
?Cause nothing's changed
I still love you, oh, I still love you
Only slightly, only slightly less
Than I used to, my love
Set me free, why don't you?
Get out my life, why don't you?
?Cause you don't really love me, no
You just keep my hanging on
Set me free, why don't you girl?
Get out my life, why don't you baby?

?Cause you don't really love me, no no no
You just keep my hanging on
