

Baby Took a Limo to Memphis

[Guy Clark](#)

She did not want to drive
She did not want to fly
She did not want to wait
For a bus to come by She did not want to hassle
She did not want to hurry
She didn't want to know
What is cost, don't worry Baby took a limo to Memphis
Seemed like the thing to do
Baby took a limo to Memphis
She did it 'cause she wanted to She knows what she wants
She knows how to get it
She knows what it takes
Just do it, don't regret it The shortest distance between two towns
Is ridin' in a limo with the windows down Don't ask why she's goin'
She might let you know
Don't ask when she's comin' back
'Cause she don't know Don't let her fool you
She's nobody's fool
She knows what's tacky
She knows what's cool
