Don't Call Home

The Breeders

Phone by the cash register
Quarter in your pocket
Miles away but you can't call home
No, you can't call home
Home is where you are [2x]
Miles away, no one knows where
Miles away, don't call home
Anyway, don't call this way
Hey, don't call
You never can call
Don't even write
No one can help you
You don't know what to do
Don't call home
No one likes you
Wants your call

You couldn't care less
You don't know what is happening
You don't know why you're angry
You don't know why you left her
You can't call, you never can call
Hey, don't call, you never can call [4x]
Don't even write
