

# Deep Inside

## Korn

I'm not doin' great  
I feel like I'm dead not thinkin' straight  
Inside my body troubled, full of hate  
I had to let it out before it's too lateDeep inside  
(It can hide)  
Feeling so lost and betrayed  
Why does this happen to me everytime?  
Stuck in this place where I can't escape  
Screaming and clawing from deep insideWhy won't it fade?  
Outside I had to lie, I'm ok  
I hope someday I'll stop getting pain  
I guess this is the life I have madeDeep inside  
(It can hide)  
Feeling so lost and betrayed  
Why does this happen to me every time?  
Stuck in this place where I can't escape  
Screaming and clawing from deep insideWhat am I doing?  
I can't believe this I have been hiding  
Wanting to be less  
Giving to people  
They take from me  
Always they bringing drama to meLook  
Look at me now  
(Now)Feeling so lost and betrayed  
Why does this happen to me everytime?  
Stuck in this place where I can't escape  
Screaming and clawing from deep insideI can't stand  
All of this fuckin' pain  
Please God just go away  
Please God just make them pay
