Never Be the Same

Red

I know you, who are you now?
Look into my eyes if you can't remember
Do you remember? OhI can say, I can still find
You are the only voice my heart can recognize
But I can hear you now, yeahI'll never be the same
I'm caught inside the memories
The promises, our yesterdays
And I belong to youI just can't walk away
'Cause after loving you
I can never be the sameAnd how can I pretend I never knew you
Like it was all a dream, no
I know I'll never forget
The way I always felt with you beside me
And how you loved me then, yeahI'll never be the same
I'm caught inside the memories
The promises, our yesterdays
And I belong to youI just can't walk away
'Cause after loving you
I can never be the sameYou left me here then I watched you disappear
You left this emptiness inside
And I can't turn back timeNo, stay
Nothing compares to you, nothing compares to you
I can't let you go, can't let you go, I can't let goI'll never be the same
Not after loving you
Not after loving you, noI'll never be the same
I'm caught inside the memories
The promises, our yesterdays
And I belong to youI just can't walk away
'Cause after loving you
I can never be the sameI can never be the same
I will never be the sameI just can't walk away
No, I can't walk away from you
