All The Way

Harry Connick, Jr.

When somebody loves you
It's no good unless he loves you all the way
Happy to be near you
When you need someone to cheer you all the way
Taller than the tallest tree is
That's how it's got to feel
Deeper than the deep blue sea is
That's how deep it goes if it's real
When somebody needs you
It's no good unless he needs you all the way
Through the good or lean years
And for all the in between years come what may
Who knows where the road will lead us?
Only a fool would say
But if you'll let me love you
It's for sure I'm gonna love you all the way, all the way
When somebody needs you
It's no good unless he needs you all the way
Through the good or lean years
And for all the in between years come what may
Who knows where the road will lead us?
Only a fool would say
But if you'll let me love you
It's for sure I'm gonna love you all the way, all the way
