

# Sea Of Air

## Portugal. The Man

News came today, we found a sea of air  
When we went back nothing was there  
A tower so tall it nearly left the ground  
Still, when we looked, nothing was found

There was nothing out there, no, nothing at all  
Nothing but space, nothing but ground  
All the things I want, and the things I need  
And there's nothing but stars looking back at me

But I'll be brave, I'll be brave, I'll be brave  
When the time, it comes around  
I'll be brave, yeah, I'll be brave  
Just let me go now, let me go now...

We got the whole world hanging there  
In our little sea of air  
We got the whole world hanging there  
In our little sea of air  
We got the whole world just hanging out  
We've got no sea to doubt  
We've got the whole world hanging there

When you talk to God about suicide  
When you never hear back, I hope you're still alive  
And the part of you that never cared  
You can leave it here in the sea of air

But I'll be brave, I'll be brave, I'll be brave  
When the time, it comes around  
I'll be brave, yeah, I'll be brave  
Just let me go now!

We got the whole world hanging there  
In our little sea of air  
We got the whole world hanging there  
In our little sea of air  
We got the whole world just hanging out  
We've got no sea to doubt

We got the whole world hanging there

We got the whole world hanging there  
(the whole world hanging there)  
In our little sea of air
