

I Want the Sky

[Lucy Schwartz](#)

I'm ready, ready to run free
I'd like to know what lies beyond the blue sea
You live once, so drink the honey
I learn my lessons from the birds and the bees I want the sky to open wide
Illuminate this fire inside
I want the sky These buildings, high above me
Are so much taller than the pictures I've seen
I don't got a lot of money
But I got you and baby that's all I need I want the sky to open wide
Illuminate this fire inside
I want the sky I'm ready, ready to run free
I'd like to know what lies beyond the blue sea
You live once, so drink the honey
I learn my lessons from the birds and the bees I want the sky to open wide
Illuminate this fire inside
I want the sky
