Simple Girl

Kiley Dean

I've seen the way you relate to
Other girls and although I'd hate to
Be the one to break you the bad news
It's a must and I know I have to
I've seen you around flossin' your sports car
At the lounge buyin' up the whole bar
Now don't get me wrong
You're a sweet heart
But sometimes you be goin' to farCause I know
You got a little dough
And that's cool with me
You say you can provide everything I need (Oh)
But I don't' need your car or your jewelry
To keep me satisfied
Come through for me
Take me for a ride up and down the coast (Up and wont he coast)
You aint gotta try hard doin' the most (Doin' the most)
Money can't supply all I need in this world
That's the bottom line
I'm a simple girl
That's the bottom line
I'm a simple girl
That's the bottom line
I'm a simple girlYou claim you got at me cause I'm cool
Cause I'm different from what your use to
And baby I don't mean to be rude
But your pockets aint what I'm into
Just give me a reason to believe that
I mean more to you then your Cadillac
Just spending your time on me
Not your cash
Make an impression
It's gonna lastCause I know that
You got a little dough
And that's cool with me (Oh yeah, yeah, yeah)
You say you can provide everything I need
But I don't' need your car or your jewelry (Car or your jewelry)
To keep me satisfied
Come through for me (Come through for me)

Take me for a ride up and down the coast (Up and down the coast)
You aint gotta try hard doin' the most (Doin' the most)
Money can't supply all I need in this world
That's the bottom line (That's the bottom line)
I'm a simple girl (I'm a simple girl)
That's the bottom line
I'm a simple girl
That's the bottom line
I'm a simple girlI just wanna be your
I just wanna be your lady
You aint gotta buy me baby (Buy me baby)
Even though it might sound crazy (Oh, yeah)
I want you
But you need to (You need to)
Show me that you need more from me
Then some way to spend your money (Spend your money)
Even though this might sound funny
It's real though
Cause I know (Cause I know)That's the bottom line (That's the bottom line)
I'm a simple girl
That's the bottom line
I'm a simple girl(I'm a simple girl)
That's the bottom line (Oh, yeah)
I'm a simple girl (I'm a simple girl)
That's the bottom line
I'm a simple girl (Simple girl, yeah)
That's the bottom line
I'm a simple girl (Oh)
That's the bottom line
I'm a simple girl (Simple girl)
