

It's Alright

Huey Lewis & The News

They say, "It's alright"
They say, "It's alright"
Say, "It's alright, have a good time"
'Cause it's alright
Whoa, it's alright Now, we gonna move it slow
Oh, when the lights are low
'Cause when you move it slow
It feels like more
'Cause it's alright, whoa, it's alright Now, listen to the beat
Kinda tap your feet
'Cause you got soul
Everybody knows that it's alright
Whoa, it's alright When you wake up early in the mornin'
Feelin' sad like so many of us do
Hold a little soul
And make life your goal
And surely something's gotta come to you And you gotta say, "It's alright"
And say, "It's alright"
Say, "It's alright, have a good time"
'Cause it's alright
Whoa, it's alright Everybody clap your hands
Give yourself a chance
'Cause you got soul
Everybody knows that it's alright
Whoa, it's alright Someday I'll find me a woman
Who will love me and treat me real nice
Where my road has got to go?
My love she will know
From mornin', noon until the night And she's gotta say
And she's gotta say that it's alright
And say, "It's alright"
Say, "It's alright, have a good time"
'Cause it's alright whoa it's alright Everybody clap your hands
Give yourself a chance
'Cause you got soul
Everybody knows that it's alright
Whoa, it's alright And you got soul
Everybody knows that it's alright
Whoa, it's alright
