

Angel With A Shotgun

The Cab

(I'm an angel with a shotgun, shotgun, shotgun,
Angel with a shotgun, shotgun, shotgun...)Get out your guns, battle's begun,
Are you a saint or a sinner?
If love's a fight, then I shall die,
With my heart on a trigger.They say before you start a war,
you better know what you're fighting for.
Well baby, you are all that I adore,
if love is what you need, a soldier I will be.I'm an angel with a shotgun,
fighting 'til the war's won,
I don't care if heaven won't take me back.
I'll throw away my faith, babe, just to keep you safe.
Don't you know you're everything I have?
And I wanna live, not just survive,
Tonight.Sometimes to win, you've got to sin,
don't mean I'm not a believer.
And Major Tom will sing along.
Yeah, they still say I'm a dreamer.They say before you start a war,
you better know what you're fighting for.
Well baby, you are all that I adore,
if love is what you need, a soldier I will be.I'm an angel with a shotgun,
fighting 'til the war's won,
I don't care if heaven won't take me back.
I'll throw away my faith, babe, just to keep you safe.
Don't you know you're everything I have?
and I wanna live, not just survive,
Tonight.ooooohhhhhhhh, oooohhhhhh whoa whoa whoaaaaa (4x)
(I'm an angel with a shotgun shotgun shotgun)
(I'm an angel with a shotgun shotgun shotgun)I'm an angel with a shotgun..
fighting 'til the wars won..
I don't care if heaven won't take me back...I'm an angel with a shotgun,
fighting 'til the war's won,
I don't care if heaven won't take me back.
I'll throw away my faith, babe, just to keep you safe.
Don't you know you're everything I have?
(I'm an angel with a shotgun)
..and I want to live, not just survive, tonight.
(Live, not just survive)
And I'm gonna hide, hide, hide my wings tonight.They say before you start a war,
you better know what you're fighting for.

Well baby, you are all that I adore,
if love is what you need, a soldier I will be.
